Hamlin School District is very fortunate and blessed to have such a great staff. As a new administrator at the school, I know the difficulties that other schools have in recruiting and keeping good staff members. This has affected the Hamlin School District but not as bad as some other school districts. Here is some interesting information for you about the 22-23 Hamlin School District:

- The Hamlin School District has 9 new teachers this year with 6 of the 9 having taught at a prior school district in SD.
- 19 of the teachers are alumni of Hamlin
- 5 - husband & wife combinations who both work for the Hamlin School District (6 if you say in the building including the NESD)
- 3 – parent & child combinations who both work for the Hamlin School District
- The Hamlin School District has the following years of experience in teaching (not just teaching at Hamlin School)
 - 15 teachers have 0 – 5 years of experience in teaching
 - 11 teachers have 6- 10 years of experience in teaching
 - 7 teachers have 11 - 15 years of experience in teaching
 - 7 teachers have 16 – 20 years of experience in teaching
 - 15 teachers have more than 20 years of experience in teaching
- 12 teachers have a master’s degree
- 33 staff members have a child of their own in school with another 32 additional staff members who have had in the past a child of their own in school

Hamlin School motto, “To prepare and equip our students to become responsible citizens and succeed in an ever-changing world.”

Have a good day.
