

Press Release

Developmental Evaluation Process at Hamlin Education Center

The Hamlin School District, along with the Northeast Educational Services Cooperative, will conduct developmental screenings. There will **NOT** be a Kindergarten evaluation this year for all incoming kindergarteners. Instead, **all children in the district** who are 3 and 4 years old will be tested, along with any children who are 5 years old and **DID NOT** attend preschool at Hamlin Education Center. If you have a child who is 3 or 4 years old, or who **DID NOT** attend the Hamlin Education Center preschool program, but plans to attend Kindergarten at Hamlin Education Center, call the school to schedule an appointment. Screenings will be held Friday, February 3, 2023 at the Hamlin Education Center between 8:30 a.m. and 1:45 p.m. Please bring a certified birth certificate and vaccination record to the test. Your child must be 3 years old by February 3th to be tested. Also, remember that there will be **NO** preschool or kindergarten classes on screening day at Hamlin Education Center. If you have any questions, please call the school office at 783-3631, Ext. 1.
