

Inter-Lakes Community Action Youth Recreation Program

ICAP will offer a youth summer recreation program to assist low-income families with children in participating in selective recreational activity events for the summer. Vouchers will be given to eligible households to be used towards costs of passes and membership fees. Program eligibility is based on family income

For information regarding this program, or to apply, please contact your local ICAP at (605)783-3867

We Will begin taking applications April 15th

8	\$5,261	\$63,200

GARDEN PROGRAM 2023

Inter-Lakes Community Action Partnership

The Garden Project is a program designed to assist participants in growing their own fresh fruits and vegetables. Our mission is to assure participating households have access to nutritional wellbeing by providing a voucher for garden seeds and plants as well as planting and canning supplies. Program eligibility is based on income.
