Information gained during the evaluation process shall be used to enhance individual strengths and provide a plan of improvement for identified needs. One copy of this form shall be kept on file for every evaluation period.

INSTRUCTIONS AND SCALE:

Listed on the following pages are various characteristics, behaviors and performances deemed essential for an effective counselor. Point values are assigned for each component and the evaluator's task is to place a number before each item according to the scale below. When a rating of 1 or 2 is given, the reasons will be given in writing. Signing the evaluation does not necessarily mean the employee is in agreement with the evaluator's statements.

4 Distinguished (4)

A counselor performing at the Distinguished level makes a contribution to the school, both inside and outside the classroom. The counselor clearly understands the roles and responsibilities and has mastered working collaboratively with the administration, teachers, and support staff. At this level, counselors openly communicate with parents and students to improve student performance as well as to prepare them for life beyond high school.
