

SCHOOL LETTERHEAD

To Whom it may Concern,

For several years, Hamlin Lunch Program has sold ALA CARTE food items at lunch time to Middle School and High School students. Previously, the items sold were \$1.00 and cash only.

We are planning on expanding this to include other items that may cost more than \$1.00. The purchase price of the item is strictly based on the price of the item. Free and Reduced prices **do not** apply to Ala Carte. Full price will be paid by the student.

Using our checkout program, we would also like to add an additional payment option which would be a charge to your current school lunch account. This will operate the same way, as we charge for lunch and breakfast. We would scan your student's card and it would come out of that same account. It would show up on your account statement as ALA CARTE. The only difference is that the ALA CARTE option shuts off if your account balance is below \$5.00. However, your child would still be able to get lunch and breakfast if there is a negative balance.

This letter is for you to sign if you give your student permission to use the ALA CARTE option. This option will only be turned on if you give permission. Ala Carte is set up per student, therefore, you would have to give permission to each of your middle or high school students. Again, cash only is always an option.

If you wish to participate in this please sign and return to school office.

Thank you.

Sincerely,

Shaun Peckenpaugh
Food Service Director
