29	30	31				

ACT TEST IS ON SATURDAY, APRIL 11TH

The ACT is a college admissions test that plays an important role in a student's post-secondary plans. Taking the ACT can help with college course placement (including dual credit), career planning, and meeting scholarship requirements. If you plan to attend college and want to be eligible for merit-based scholarships, registering for and preparing for the ACT is an important step. Our ACT Prep Sessions, led by Hamlin High School teachers, are designed to help students build confidence and prepare for success. Session dates and additional resources are listed below.

## REGISTRATION

Register online at: [www.act.org](http://www.act.org)

The ACT test with science add-on is \$72.00

Students who meet an indicator of economic need qualify for fee waivers that cover the cost of the entire test. See Mrs. Popham for requirements or to get a fee waiver form.

## ADDITIONAL RESOURCES

### ACT APP

Many apps can be downloaded for on-the-go test prep. This app offers 'Question of the Day', flashcards, and practice tests. Search the app store for more!

### SDMYLIFE METHODIZE

SDMyLife features Quizzes with predictive scores, Lessons, Vocab Builder, Practice Questions that give correct answer feedback, full-length timed tests, and Resources with tips for each section.

- Go to: [sdmylife.com](http://sdmylife.com)
- login using your k12 email address and password
- Select 'Methodize' towards the bottom

### TUTORME ONLINE ACT PREP COURSE

Created by ACT experts, TutorMe features fully animated content, along with 500+ practice problems covering all concepts tested on the ACT.

- Sign up at [act.tutorme.com](http://act.tutorme.com) and enter coupon code "HAMLIN" on the checkout page for a 100% discount. You will have 6 months of full access after signing up.
