

Hello!
I am Aimee Beld.

Thank you for recognizing me as one of the staff members of the year!

A little bit about me. I am a mother of 8 and have been married to my husband for 25 ½ years. I am a grandma to 1 sweet boy and pray that there may be many more to follow.

All my children have attended Hamlin school, and I am down to only 2 children enrolled.

I was raised in the military and have traveled many different places. I was enrolled in 12 different school. Even attending 1 year at Hamlin High School in Hayti.

I have been working at HEC since 2017 when I started as a substitute teacher.

The 2020-21 school year I was hired on temporarily as a part-time middle school study hall teacher. Thankfully, Hamlin decided to keep that position, and I have stayed on ever since.

With Lee Kasten retiring I became a full-time middle school study hall teacher in the 2024-25 school year.
