

We still have the following openings if anyone is interested:

- Science Teacher – would be teaching Physical Science along with other Science areas
- Woodworking Teacher – would be beneficial in knowledge in building a house; we would help with certification if interested
- Chorus Teacher – could be high school chorus only or could be both HS & MS Chorus, more than likely only 2 afternoons per week; we will help with certification if interested
- Math Interventionist (elementary teacher) – this position may be all year, half the year, long term sub...we are looking at all options.
- Part time librarian (mornings) – could combine this with a para position if looking for full time
- Study Hall Monitor – could combine this with para position or CTE office if looking for full time position
- Bus Drivers – could use morning route drivers, afternoon route drivers or both AM & PM, could use substitute route drivers, could use activity drivers
- MS Football Coach
- HS Football Coach
- Special Ed Para's – mainly in the elementary end, could use a part time one in the high school end, these positions could be full or part time, but they are daily
- Concession Stand Advisor
