Janine Alholinna

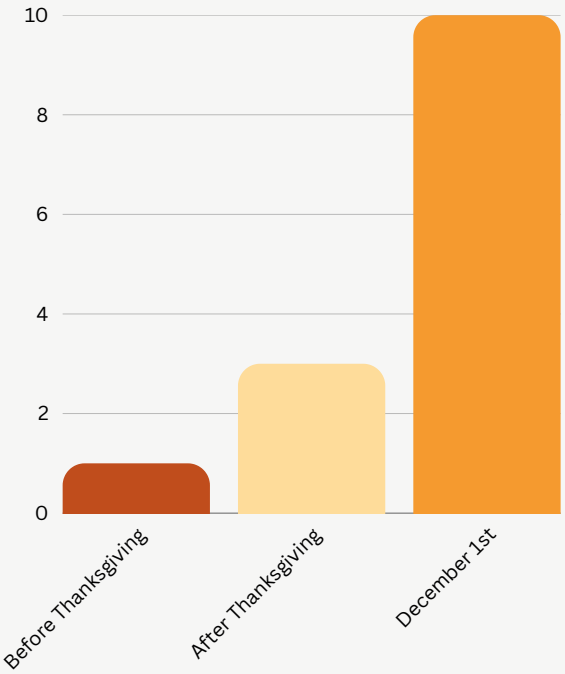

Janine Alholinna is the Health Science Careers teacher here at Hamlin. She chose this job because it relates to her nursing career. She graduated college at Sheridan College in Sheridan, Wyoming. Before she came to Hamlin, Mrs. Alholinna was a nurse for 22 years! She worked in the ER, clinic, medical surgery, and an acute psych unit. Her favorite part of her job is being able to share her nursing knowledge. She has two kids, Adison and Carter, who also attend Hamlin School. Mrs. Alholinna's favorite memory at Hamlin so far is when she worked at a para in the elementary - she had three students come up to her and say, "We miss you, you should come back!" She looks forward to interacting with students all day. Something you might be surprised to learn about Mrs. Alholinna is that she has an associate degree in business.

HIGHSCHOOL SPORTS:

Paxton(Volleyball)

"I think that this season went pretty good. I was very disappointed with the outcome of the loss. I play outside hitter and defensive specialist. I am going to miss all of the seniors when they graduate. I think I am the goat. My most memorable moment this season was when we dressed up for practice on Halloween."

Amelia (Cheer&Cross Country)

"Hello, I am Amelia Loban. I think that the cheer team has a lot of school spirit. I am the flyer which means I goes up in the air. I cheer with Harper, Abby, Laura, Adrianys, Brantley. My most memorable moment was at the first game of the season it started downpouring."

"In cross country, I got a medal at Arlington for running 3.1 miles for cross country. I run 3 miles everyday after school to practice. I started cross country in 9th grade. Cross Country starts in August and ends around October. There were 4 people on the cross country team this year."

Jonathan (Football)

Jonny is number 7 and played running back. His stats for this year included 22 touchdowns scored this season. The longest touchdown he scored was 94 yards. The football team won 9 games and lost 2. Jonny got 80 tackles, 7 tackles for loss, 4 sacks, and 3 fumble recoveries for the year defensively. He said, "I thought we did pretty good all around, but it sucks that we lost the last game. We had a couple injuries that made it hard for us to finish out. I wish that we would have ended it out on top."

VETERANS DAY PROGRAM:

On November 11th, the preschool-high school of Hamlin came together and performed a program for the veterans. Mr. Hulscher welcomed everyone, then the program started off, with the flag lowered, as Ellie Carstensen and Olivia Singrey played their clarinets to the tune of the “Star Spangled Banner.” Then the band did bucket drumming after playing a couple of songs with their instruments. While the band played on the buckets, the preschoolers, junior kindergarten and Kindergarten pranced through the gym waving flags. The 5th graders then played “My Country ‘Tis of Thee” on their recorders. After the 5th graders finished, the whole elementary school sang “July 4th, 1776." The 1st graders then said and signed “Dear Veteran” and the 2nd graders did “American Soldiers.” The military branch's song was played and veterans stood when their branch was played. Mr. Abraham was interviewed and that video was played on the big screen. The choir sang a couple of songs, and the program finished off with the elementary singing “God Bless America.”

Kennedy Bludorn

Kennedy Cruz Bludorn, child of Kelan and Torrie, was born on December 15, 2008. Kennedy has four siblings: Quinn (12), Willa (9), Emerson (5), and Ruby (3). The most important lesson Kennedy has learned is that comparison is the thief of joy. When you are excited about something, comparing it to something else can take away that excitement. It is important to appreciate what you have and enjoy your own experiences without comparing them to others.
